Avril

They say April showers bring May flowers.
But in Portland...
...they just bring more showers.

Fear not, because all of that rain is
responsible for some of the
loveliest produce in the country.

We are enjoying a bounty of fiddleheads
sprouting rabes, spring onions,
garlic scapes, spinach, favas, and rhubarb,
thanks to our local farmers.

Did you know that France
annually consumes 10 times more
Champagne than the United States?

They have a population of 66 million
compared to our 320 million.

You don't need a reason to drink bubbles.

The perfect pairing for Pommes Frites
is - after all ... CHAMPAGNE.

~Bisous~
